Paid for by Stephen Fincher for Congress.

A conservative, non-politician, farmer and businessman with deep roots in Tennessee. Who better to turn Washington upside down?

-  Cut spending and deficits, and stop piling debt on our children.
-  Cut taxes to create jobs. Work for flatter, fairer, simpler and lower taxes.
-  Repeal the Obama-Pelosi government takeover of healthcare.
-  Keep the promises we've made to older Tennesseans.
-  Defend our Christian values and way of life.
-  Keep America strong and secure in a dangerous and uncertain world.
